This service is a Domiciliary care agency and a supported living service. It provides personal care to people living in their own houses and flats, for people with learning disabilities and autistic people.

# About the Care Quality Commission

The **Care Quality Commission (CQC)** checks if every health and social care service gives good care to people.

The **Care Quality Commission (CQC)** checks if every health and social care service gives good care to people.

We give each service a score of:

- Outstanding (meaning very good)
- Good
- Requires improvement (meaning it needs to get better)

Inadequate (meaning very poor)

## What we think about this service

We checked this service on  
**20 July 2022**

We think this service is good.

# 1. Is the service safe?

For the question, 'Is the service safe?', we think this service is good.

People were supported by enough staff.

People and their relatives told us they felt safe because staff knew how to keep them safe from danger.

People got their medicine and tablets safely.

## 2. Is the service effective?

**Support**

For the question, 'Is the service effective?', which means does it do its job well, we think this service is good.

People were asked about how they wanted to be supported.

People got medical help when they needed it.

Staff had the right skills and training to support people.

### 3. Is the service caring?

For the question, 'Is the service caring?', which means does it support and respect people, we think this service is good.

People were supported by staff who respected their choices.

People had their own space and staff respected this.

People were supported to spend time with friends and families.

## 4. Is the service responsive?

For the question, 'Is the service responsive?', which means does it meet people's needs, we think this service is good.

People and those important to them like their family, were included in planning their own care.

People got person-centred care, because staff knew how they wanted their care to be given.

People were able to choose what activities they want to do.

Staff listened to people if they wanted to talk or complain about something.

## 5. Is the service well-led?

For the question, 'Is the service well-led?', which means do managers run the service well, we think this service is good.

People knew who was in charge of the service.

The manager listened to people, their family and staff.

The manager made regular checks to make sure people are kept safe.

People had meetings with staff to talk about how their support can get better.

The service worked well with other organisations.

## What happens next?

We have not asked this service to make any changes.

We will go back to check this service again.
